

# making a BEQUEST

## Our Part

Wycliffe Australia's vision is to 'to see Australia Christians helping indigenous people of the world become true disciples of Jesus Christ through the power of his Word in their heart language'.

Wycliffe Australia is part of a global vision (Vision 2025) which is to see a Bible translation project in progress by 2025 in every language that needs it.

## Your Part

For many years now the Lord has provided through the gifts of his people like you, and we trust him to continue to provide. You can be part of his provision for the Bible translation ministry and the vision through your bequest in Wycliffe's favour.

*The following paragraph is recommended as the text for inclusion in a will.*

'I give and bequeath to **Wycliffe Bible Translators Australia** the sum of \$\_\_\_\_\_ to be paid free of duty and applied for the purpose of **Wycliffe Bible Translators Australia**.

I declare that the receipt of the respective treasurer or other proper officer for the time being of the aforesaid Society shall be good and sufficient discharge to my trustees for the bequest made by me to them under this Will who shall not be obliged to see the application thereof.'

We recommend consulting a professional advisor for guidance, especially if the bequest involved stock or property that may require more involved planning.
